**The Liberator** - a 64GB uncensorable credit card-sized flash drive of visualizations, documentaries, short videos, book in PDF, dank memes, and truth music from the Liberty movement's leading artists. Companion Media to the new book: *"Government"* and *"The Covid"* - *The Two Biggest Scams in History... Exposed!* by Etienne de la Boetie

**The Art of Liberty Foundation** is a start up public policy organization exposing the illegitimacy and criminality of *"Government"* from a principled voluntarist perspective.

This visualization was done in 2017 by Swiss Propaganda Research and shows how the Council on Foreign Relations, the Bilderberg Group, and the Trilateral Commission have maneuvered their members into the key publishers, editorships, and reporter positions at dozens of ostensibly independent media organizations. We break down who these organizations are along with the CIA and the World Economic Forum who are also coordinating the efforts of reporters, editors, and publishers. Jeffrey Epstein was a member of all three of these organizations. We have a different poster from the Fund to Restore an Educated Electorate which shows the same three organizations have maneuvered their members into the Presidency, Vice Presidency, Cabinet Secretaries, Senators, Congressman, Chairmen of the Joint Chiefs of Staff, the FBI Directors, CIA Directors, and heads of the Federal Reserve and major banking institutions in both "Republican" and "Democrat" administrations going back decades.
