THE ART OF LIBERTY FOUNDATION

Become a Sponsor of Liberty

Together, we can accelerate the **"One-Way Revolution"**.

Dear Friend of Liberty,
For years, the Art of Liberty Foundation has done what the legacy media will not: lay out the evidence of how "government" actually operates as a criminal enterprise and show the voluntarist alternative — a society built on consent, free markets, peace and ***REAL*** freedom. Once someone discovers the illegitimacy and criminality of "government" they seldom go back to "voting harder" in easily and obviously rigged elections. We call this the "One-Way Revolution" and believe it is capable of and destined for exponential growth!

When the big platforms throttled our reach and took a cut of every subscription, we stopped renting our megaphone. We built our own. Today, our *Voluntaryist.News* wire, *Important News from the Art of Liberty Foundation*, and *Five Meme Friday* reach more than 13,000 readers through ArtOfLiberty.Foundation, Voluntaryist.News, and FiveMemeFri.org, censorship-resistant platforms we own and control.
We take no government money and run no corporate advertising. We are funded by people who refuse to roll over to being robbed and ruled — sponsors like you. Your sponsorship is what funds the books, memes, articles, newsletters, *Liberators*, conferences, video and Telegram channels, PR and Social Media efforts, and media appearances.

What your sponsorship funds

New Books & 128GB Liberator

Launching ***Organized Crime Theory (OCT)*** and ***Voluntaryism*** — printing, distribution, and getting review copies into the right hands. New 128GB *Liberator* with companion material for *Voluntaryism*.

Translations, Memes, Podcasts, Radioshows

We have started translating our content, with plans to turn on translation across all our websites. We are doing 20-40 podcasts a year and reaching more folks with the message of ***REAL*** Freedom!

Censor-Resistant Platform

Owned publishing infrastructure, so no Big Tech gatekeeper can switch off the ***Voluntaryist News and Important News from the AoLF, Five Meme Friday.***
