The Liberator - a 64GB uncensorable credit card-sized flash drive of visualizations, documentaries, short videos, book in PDF, dank memes, and truth music from the Liberty movement's leading artists. Companion Media to the new book: **"Government" The Biggest Scams in History... Exposed!** by Etienne de la Boetie

The Art of Liberty Foundation is a start up public policy organization exposing the illegitimacy and criminality of **"Government"** from a principled voluntarist perspective.

The White Rose is an international group of activists that make pro-liberty, anti-lockdown, anti-covid stickers available globally for gas pumps, bathroom doors, airports, and police cars. The campaigners make a file of stickers available for free, and anyone with a low-cost Brother QL 800 label printer (~\$100 new or \$40-\$60 used on E-bay) can print cool, hard-hitting stickers at a very low cost. They also distribute free stickers worldwide via postal mail (follow the directions on their Telegram page to get yours). The stickers are distributed in bulk at liberty events like Porcupine Freedom Festival, Jackalope, The Rainbow Gathering, and others!

The White Rose - MUCHO GRANDE! is our homage to the White Rose! Instead of stickers, we have a free file of POSTERS featuring the full-size, high-res visualizations from "Government" - The Biggest Scam in History... Exposed! that illustrates how inter-generational organized crime has infiltrated their members into the media and "governments" using front organizations such as the World Economic Forum, The Council on Foreign Relations, the Trilateral Commission, and the Bilderberg group. There is also a series of visualizations showing the monopolization of: media, consumer goods, defense contractors, beer, beverages, meat processing, airlines, community newspapers, seed companies, and banks.
