

“Government”-The Biggest Scam in History Exposed: False Flag Terrorism for War and Domestic Police State

www.UnderstandingOurSlavery.com

Executive Summary

The organized crime government through the FBI, intelligence agencies, and in partnership with the media, is constantly menacing the population with both real false flag terrorism where people are killed and property destroyed (9-11, Oklahoma City Bombing, 1993 World Trade Center Bombing,) and hoax events (Boston Marathon Bombing, Sandy Hook, Orlando Pulse Nightclub) where government agencies and the media present large-scale mass casualty exercises skillfully edited and presented as real events with crisis actors and invented victims.

False flag terror, hoax terror, and engineered wars are used to menace the population so they rally around the government for “security” while using the events to bring in even more police state measures which allow organized crime to tighten their control over society for the day when the game is exposed or economic conditions get so bad the population rebels.

These false flag events and hoaxes are being exposed by independent researchers who are sharing evidence and analysis over the internet. In 2018 these independent researchers began to see massive censorship and complete takedowns of their YouTube channels, Facebook profiles, pages, and groups, twitter bans, and search engine and social media shenanigans. Many of the best documentaries and video evidence of government criminality have been deleted off YouTube, Vimeo, Facebook and other platforms.

We have organized [two Dropboxes](#) that can be downloaded to Flashdrives or 8GB DVDs with evidence of government criminality. Please make a copy ASAP.

If you don't understand that the MainStreamMedia, Google and major Internet social media platforms are tools of organized crime and deceiving you soviet-style then you aren't even in the game. There is no other option but to research these events for yourself. In the internet age, ignorance is a choice!

Key Concepts

1. Control of perception is the most powerful weapon in organized crime's arsenal. Can the tell-lie-vision & glossy magazines make you believe the system is legitimate, that you are not a free human being but an “American”, that you “owe taxes”, that the elections aren't rigged, that you are physically in danger from “terrorists” to get you to support police state measures, that mass shootings are rampant so peaceful people must turn in their guns, etc.

2. The CIA's program to control the media that was exposed in the 1976 Church Committee hearings was rumored to be called, and has become widely referred to, as: [Operation Mockingbird](#). The speculation is that if organized crime can control the “head ends” of the information food chain (the biggest wire services, “news” networks, “newspapers of record”, etc.) then all the regional television stations, radio station, and local newspapers will simply “mockingbird” what the bigger media outlets report. Concurrently, most people (who don't understand the “big con”) will simply “mockingbird” what the MainStreamMedia and internet publications say.

3. We break down how organized crime has monopolized ownership of the media into six different companies running hundreds of subsidiaries in [The Propaganda Matrix](#). We break down how organized crime controls editorial content in [Control of the Media](#). We include the article [How the CIA Made Google](#) in: [The Liberator](#)

Hoax Event - Boston Marathon Bombing

Left: [James "Bim" Costello](#), **Middle:** [Kyle Larrow](#), **Right:** Close up of [Nicole Brannock Gross's](#) shirt. All displaying impossible prop clothing where allegedly pipe bomb shrapnel/blast shredded the fabric of the clothing but did no damage to the skin underneath. Costello's shirt shows impossible clean vertical cuts.

What Really Happened: Gov't mass casualty exercise using special effects & traitorous amputee crisis actors, FBI agents/police that was photographed/edited by select news agencies and then sold to the population as a real event.

Used to Justify: Police state measures: Roll-out of pre-purchased armored vehicles for American cities and towns, beta-test of searching homes without warrants and locking down an American city with Hollywood trickery.

Best Evidence of Fakery: [Thorndike photos expose no real injuries in aftermath, Bauman's legs not bleeding after explosion, no more than 3-4 dozen crisis actors photographed around "blast" sites vs official total of 264 injured, plainclothes but identified FBI agents keeping uninvolved police/people away.](#)

Best Documentary: [The Boston Marathon Unbombing](#) by PlasmaBurns
Best Short Videos: PlasmaBurns series exposing major crisis actor "Heroes" and "Victims" including: [Baumann](#), [Downes](#), [Corcorans](#), [Gregory](#), [Valverdes](#), [FBI Caught Redhanded at Boston Bombing](#), [Reporting the FBI to the FBI](#).

["Government" - The Biggest Scam in History Exposed](#) is both a book and series of one-page visual overviews of concepts hidden from the public by inter-generational organized crime that has been controlling the flow of information in society. Their "Propaganda Matrix" includes control of the government, government schools, scouting, intelligence agencies, military and police training, and a weaponized media system of 6 companies running hundreds of subsidiaries and Google/YouTube/Fedbook and others to give the population the illusion of diversity of opinion while propagandizing, deceiving, and distracting us from the reality of our tax slavery and authoritarian control. These [one-pagers](#) are designed to be printed out and shared, but with accessible PDF versions with active hypertext links. We have an 8GB Flash Drive/[Dropbox](#) called: [The Liberator](#) with additional evidence of government and media criminality.

False Flag Event - September 11th, 2001

WTC7 was a modern, fireproofed steel-frame building not struck by a plane that collapsed completely, and symmetrically into its own footprint at 5:20 PM. The building fell at free-fall speed defying the laws of physics and displaying all the hallmarks of a controlled demolition: Visible squibs, free-fall collapse, molten metal. At 5:00 Fox News, CNN and the [BBC began reporting it had already fell](#). Whistleblower [Barry Jennings reported bombs](#). Prior knowledge, auditory explosions, symmetrical collapse.

What Really Happened: Both towers and WTC 7 brought down in controlled demolitions organized by US & Israeli intelligence agencies with media cover up.

Used to Justify: Wars in Afghanistan and Iraq, warrantless wiretapping, suspension of posse commitatus and habeous corpus, torture, military tribunals.

Best Evidence of Gov't involvement: Obvious use of explosives in buildings: [free fall speeds, molten metal still molten weeks later, explosive residue in dust, dozens of war games taking place on 9-11 to pull fighter response/distract FAA, Israeli Mossad \(Aka Dancing Israelis\) caught "documenting the event"](#), symmetrical collapse.
