Introduction

Would it surprise you to learn that "Government" was never designed to protect life, liberty, and property? Instead, it functions primarily as a sophisticated system for robbing and controlling populations?

The intergenerational organized crime system behind the US "government" (and other governments) is running what can best be characterized as a form of "Pimp Game"¹ on their populations to trick them into an illogical and immoral pseudo-religious belief system. This completely indoctrinated belief system creates two classes of people: "order followers" in the police and military, who agree to set their morality aside and use violence on peaceful people to enforce the "commandments" of the religion or raise revenue on their neighbors. The second class is ordinary citizens who become, in essence, tax-slaves who semi-voluntarily "tithe".

What makes this system particularly troubling is its use of *proven* psychological manipulation techniques—***the same methods used by disingenuous religions or cults to indoctrinate their followers***. Once you understand these techniques, you'll recognize an unmistakable pattern: The combined forces of banks, the organized crime "government," monopoly mainstream media, and hierarchically controlled puppets in monopoly academic institutions are trying to trick, sucker and "chump" the population toward accepting a system that is against their interests.

I know this firsthand. Like many Americans, I followed a traditional path—Cub Scouts and Boy Scouts—and even considered a military career. I visited a recruiter with a friend, and we both took the Armed Services Vocational Aptitude Battery (ASVAB) test. The system had me "*Hook, Line and Sinker*" until someone helped me understand the bigger picture. Once I saw how the game was being rigged, everything changed.

This book will show you exactly how these control mechanisms work. It builds on my previous book "Government"—*The Biggest Scam in History... Exposed!*" , which laid the groundwork for understanding this system. My upcoming book Voluntaryism—How the Only "ISM" Fair for Everyone Leads to Harmony, Prosperity and Good Karma for All will present the solution: **REAL** Freedom!

25 Unethical, Cult-Creation Techniques the Government & Media Are Using Against Everyone

1. Controlling the information that kids receive about the legitimacy, desirability and necessity of having a “government” in mandatory schools running the Prussian model of education - Kids are forced to attend “public” schools run by the “government” where they are subject to an educational model openly developed to install allegiance and obedience into the Prussian population so they would fight for a Prussian feudal monarchy. The same techniques are being used on kids today, and Kindergarten is a Prussian word for “Garden to Raise Children.” Unsaid is: “In the ideology of the State!”

Children are taught that “government” is legitimate, desirable and necessary before they are old enough to evaluate the logic and morality of the claim for themselves.

This television sign-off video from the 1960s has secret words embedded into the scrolling text of the video designed to “Chump” the audience into going along with the “government.” Click the image or Scan the QR Code to watch short 4:09 video

10. Subliminal Programming—The “government” and monopoly media have been caught using subliminal programming secretly inserted into tell-a-vision “programming” to propagandize the population. In this example, a 1960 “Television Sign Off Message” played at the end of each broadcast day when people were tired and in a highly suggestible alpha brain wave state was found to contain creepy subliminal messages about “obeying the government.”

The messages found in the video above are:

**TRUST THE US GOVERNMENT
GOD IS REAL GOD IS WATCHING
BELIEVE IN GOVERNMENT GOD
REBELLION WILL NOT BE TOLERATED
OBEY CONSUME OBEY CONSUME
BUY ULTRA BUY NAOMI
WORSHIP CONSUME OBEY BELIEVE
DO NOT QUESTION GOVERNMENT**

This short video features 469 product placements of the American flag in just 12 Michael Bay movies. Click the Image Above or Scan QR Code to Watch the Short 8:32 Video.

12. Secretly “Product Placing” the Flag Dozens of Times Across Thousands of Movies and Television Shows - We covered the technique of **Anchoring** where the flag is “anchored” to scenes of high positive emotion. However, another method saturates the flag dozens of times in a single movie or shows the flag in a context written to make the flag appealing or reinforce artificial history or tap emotional heartstrings or a dozen other ways to strengthen an artificially indoctrinated herd mentality on the population secretly.

20. Kids are Taken to “Mecca” (Washington, DC) in Middle School, Where they Are Taken to the “Cathedral” of the Capital (That looks like the Vatican... for a Reason) and the “Temples” (monuments) to see the “Deities” (Lincoln, Jefferson) Where Everything is Hushed and Reverent

Lincoln is his temple with his hands resting on Roman Faces from which the word Fascism is derived. More info bottom right.

The Lincoln Memorial (Left) vs. Nashville's reproduction of the Parthenon (Right), a Greek temple dedicated to the god Athena

The statue of Thomas Jefferson (Left) inside the Jefferson Memorial (temple) in Washington DC vs the statue of the Greek god Athena (middle) inside the Parthenon. On the Right is a Roman Faces, from which the word Fascism is derived. You can see the deity Abraham Lincoln's hands rest on two Faces in the picture from his temple in the upper right corner.

Does Belief In and Support for “Government” Meet the Textbook Definition of a Cult?

YES! *Easily...*

What is the Textbook Definition of a Cult?

Cult - \ 'kəlt \ noun, often attributive - A cult is a group or movement exhibiting a great or **excessive devotion** or dedication to some person, idea, or thing and **employing unethically manipulative techniques of persuasion and control** (e.g., isolation from former friends and family, debilitation, use of special methods to heighten suggestibility and subservience, powerful group pressures, information management, suspension of individuality or critical judgment, promotion of total dependency on the group and fear of leaving it, etc.) **designed to advance the goals of the group's leaders to the actual or possible detriment of members, their families, or the community.**

Confucius famously said, "The beginning of wisdom is to call things by their proper name." Unfortunately, using the word "cult" seems to offend some, but the stone-cold truth is that it is precisely the dynamic at play. If the problem is inter-generational intergenerational organized crime using control of:

- Government schools
- Scouting programs
- Military training
- Police training
- Weaponized media propaganda system

to perpetrate classic, textbook, unethically manipulative "cult indoctrination techniques" on an unsuspecting population, then the solution must be Large Scale Cult Deprogramming, starting with calling the problem by its rightful name.

TO SEE THE CAGE IS TO LEAVE IT 25 TECHNIQUES THE FEW USE TO CONTROL THE MANY

By Etienne de la Boetie² - Founder of the Art of Liberty Foundation

STATISM: *The Hidden Religion*

What if everything you believed about government wasn't just wrong — but deliberately and manipulatively engineered?

In this explosive investigation, we pull back the curtain on one of history's most successful psychological operations: how the concept of "government" became an unquestioned pillar of modern society. Through meticulous research and shocking revelations, this book exposes the carefully crafted techniques used to transform free and independent human beings into unwitting believers in what may be the world's most pervasive artificially indoctrinated religion: Statism. *"You are an American! It's been decided for you!"*

Drawing from decades of research into psychological manipulation, mass media influence, and institutional power structures, this groundbreaking work reveals:

- How the mandatory government education system subtly shapes our worldview from childhood...even if you went to private school!
- The sophisticated manipulation techniques embedded by the monopoly media
- Why certain symbols and rituals hold such powerful sway over our emotions
- The true purpose behind paid-for patriotic ceremonies and traditions

For the first time, discover how these methods work together to create and maintain what may be the most successful artificially indoctrinated belief system ever devised. From the classroom to the cinema, from childhood ceremonies to national celebrations, learn to recognize the hidden patterns that have shaped our collective consciousness.

Warning: This book will fundamentally transform how you see the world around you.
