

## Art of Liberty Foundation Launches Spanish Website & Translations of *To See the Cage is to Leave It - 25 Techniques the Few Use to Control the Many*

**Press Release: English Version-print, English Version-online, Espanol-print, [Espanol-online](#)**

**Peterborough, NH - Feb 19th 2026** - The [Art of Liberty Foundation \(La Fundación Arte de la Libertad en español\)](#), a start-up public policy foundation exposing the illegitimacy and criminality of "government" from a principled voluntaryist perspective, has launched a translation of their book [To See the Cage is to Leave It - 25 Techniques the Few Use to Control the Many](#) and a new website in Spanish. The new website, at [ArteDeLaLibertad.org](#), will syndicate voluntaryist and truth movement content in Spanish.

The project also includes a new Spanish language Telegram Group at [T.me/ElArteDeLaLibertad](#), a new Spanish Instagram account at [Instagram.com/arte.delalibertad](#), and Spanish language content that is being added to the foundation's uncensorable flash drive of liberty [The Liberator](#) and its free [Dropboxes](#).

Art of Liberty Foundation founder, the voluntaryist author [Etienne de la Boetie2](#), had this to say about the new publications: "We have sold books exposing the illegitimacy and criminality of "government" to 25+ countries, and this launch marks our first translations. We were honored when Josefina Fraile Martin, one of the leading freedom activists in Europe, volunteered to help us both translate the book into Spanish and help organize translations in other languages that will be coming out soon!"

Josefina Fraile Martin, the translator, had this to say about the new edition:

"I discovered Etienne in a [#SolutionsWatch episode of The Corbett Report](#), talking about his book [To See the Cage is to Leave It – 25 Techniques the Few Use to Control the Many](#) - And decided to translate it into Spanish right away, as it is very enlightening for everyone. This book comes just on time for us to understand why, in spite of so many countries with different

*cultures, judicial systems, and over 6,000 languages, all are going in the same direction... We are governed by the same intergenerational and international mafia. Translating this book meant for me the possibility to share its impressive content with the huge Spanish-speaking community, helping to make a difference for critical thinking. I am very grateful to Etienne for authoring this **must-read** book."*
